

Application for Deep Sea Section (only) Record

Rules and Conditions

To claim a Deep Sea Section Record anglers must meet with the following rules and have fished in at least three monthly competitions

1. Fish to be weighed (whole) at Deep Sea Fishing Club within 24 hours
2. All boats must depart and return to the Port of Coffs Harbour
3. All anglers must comply with Club insurance requirements
4. Fish must be weighed in the presence of two club members and a club official/staff member
5. Gaffing, gilling or netting is the only assistance permissible to an angler (junior or senior) in the capture of a fish. Assistance by lifting of rod/reel from a rod holder, striking a fish to set hooks or supporting of rod/reel by others, at anytime during the capture and playing of a fish or at boat side is **not** permissible
6. At least one other angler must witness the capture
